## A MESSAGE FROM CLUB CAPTAIN BRETT D'OLIVEIRA

Nothing felt more special than celebrating my first century at home as captain in front of our members and supporters, and more memorable moments soon followed, including just a few of my favourites;

- Ed Pollock's brilliant match-winning century off 77 balls against Middlesex
- Matthew Waite's six-wicket burst on debut
- Gareth Roderick's magnificent maiden Worcestershire century
- Azhar's double century against the Foxes before heading straight off the field after batting all day to share the moment with young supporters
- Jack Haynes reaching three figures for the first, of hopefully many, times in a Pears' shirt
- Joe Leach's career-best bowling performance against Glamorgan and the special milestone of taking his 400th first-class wicket
- Who can forget the impact which Mitchell Stanley made in the Vitality Blast with his exciting raw pace

Looking forward, with so much up-and-coming talent around us, adding to an already excellent group of players, it is an exciting period in Worcestershire County Cricket Club's history.

We have already added to our squad for next season, and the additions of Adam Hose and Matthew Waite are quality and experienced signings for all formats of the game.

Azhar Ali was a great influence on and off the pitch in 2022, and we're all excited to welcome him back next year. The entire squad learnt so much from him and to have him back is great news; no doubt we'll be seeing more of what he brought this year and hopefully making more great memories for all Pears supporters.

Worcestershire is a special Club, and it's always extra special to share these moments with our Members.

On behalf of all the players and staff here at the Club, we hope you have a great winter, and we look forward to sharing many more memorable moments with you next Summer.

Adam really enjoyed the evening and asked if we could play cricket in the garden when we got home - it was 9.15pm!"

We honestly can't get over how friendly everyone was at the club and how welcome we were made to feel. And of course we had the bonus of a brilliant match to watch after that too!
